

Audio documentary of Remain in Light

Friday, 09 November 2018 00:00

American public radio station Studio 360 made a short audio documentary on the making of Remain in Light, the album whci transferred the band from a new wave group into a funky orchestra. The documentary contains interviews with Chris Frantz, Tina Weymouth and the author of the book 'Song and Circumstance', Sytze Steenstra. The podcast will be part of the National Recording Registry of the Library of Congres.
